

The Demographic Transition Model

http://www.geographyalltheway.com/igcse_geography/population_settlement/population/demographic_transition.htm

1. The DTM has three lines - draw them on the model above.
2. Add the three lines to the key - on the right - with the correct titles.
3. Label each of the stages.
4. Label the two axis.
5. There are 25 marks available!
